MEMORANDUM

TO: Campbell County Board of Commissioners
Denton Knapp Executive Director of Administration

FROM: Dwayne Dillinger, Executive Director

SUBJECT: Ice arena repairs

DATE: 11-8-2022

This past weekend we lost one of the motors at the Sprit Hall ice area. We had one on hand and brought a company in to do the replacement. The condenser repair project at the Campbell County ice arena is \$50,000 under budget due to the great work of staff to find and secure a used unit for replacement.

With the water break at the library public works repair budget is tight. We are asking to be able to use \$15,000 of the remaining money from the ice arena compressor replacement budget to pay for the cost of installing and trouble shooting the motor issue and to be able to rebuild the motor and soft start control to place back in to inventory.

We would also like to price out a replacement motor for the small compressor at spirit hall and if it will fit in the requested \$15,000 number order it, so we have replacements for both motors at Sprit Hall.

The money for the condenser replacement is in the public works budget and would coordinate with them on securing the parts for inventory.

Executive Director Campbell County Parks & Recreation

GREAT FUTURES START HERE.

2022 Junior Youth of the Year Competition

Boys and Girls Clubs of America provides our own Club with a great deal of support and guidance through programs that provide us with the guidance needed to ensure we are meeting the mission and vision of our organization. One such program is the Youth of the Year program. This is a BGCA signature effort to foster a new generation of leaders fully prepared to live and lead in a diverse, global, and integrated world economy. In the 21st-century world and workplace, leadership skills such as communication, goal-setting, and teamwork are essential for everyone - especially young people preparing to meet the challenges of adolescence and adulthood. Through the years, Youth of the Year has evolved into a comprehensive leadership development program, which includes: Youth of the Month, Junior Youth of the Year, and Youth of the Year.

The Youth of the Month is a recognition program that focuses on acknowledging and making Club members aware of their leadership abilities. As I know you are both aware, each month, the Boys and Girls Club of Campbell County selects multiple members to be recognized for their leadership within the Club. The Junior Youth of the Year is distinct from the National Youth of the Year program. Junior Youth of the Year seeks to develop junior leaders ages 10-13 within their Club environment. The program fosters Club members' emerging leadership abilities while preparing them for later participation in the National Youth of the Year Program. The National Youth of the Year is a program for members 14-18, and each year, one exceptional Club member is selected to be the National Youth of the Year, serving as an ambassador for the Boys & Girls Club youth as well as a voice for all of our nation's young people.

On November 2nd, 2022, the Wyoming Alliance of Boys & Girls Club held its Junior Youth of the Year competition. Each community serving a Boys & Girls Club from around the State of Wyoming can have one member represent their organization and compete in this annual event. This year, after internal competitions and nominations, Wyoming Boys and Girls Clubs had ten (10) members from ten (10) separate Boys and Girls Clubs compete to be recognized as the Junior Youth of the Year. Each member had to complete a written application before today's completion. Today's competition consisted of youth speeches given in front of CEOs, board members, elected officials, parents, community members, and a panel of judges. Following the speeches, each member participated in a 15-20 minute interview session with the judges. The judges then deliberated to select one member to represent all Wyoming Boys and Girls Clubs as the Junior Youth of the Year. Today's competition

With the highest level of elation and an overwhelming sense of pride, I share with you that Jeg Collins, the Youth representing our very own Club from right here in Campbell County, was selected as the winner of the 2022 Junior Youth of the Year Competition.

MEMORANDUM

... from H.R./Risk Management

TO: Campbell County Board of Commissioners
Del Shelstad, Chairman
Bob Maul
Colleen Faber

FROM: Brandy Elder
Executive Director of Human Resources & Risk Management

DATE: November 15, 2022

SUBJECT: Appointing Members of Compensation Committee

The compensation committee currently has three vacancies for a member-at-large due expiration of the term on three members, and one opening in the elected appointee category.

As outlined in the committee handbook, when a vacancy on the committee occurs all Department Heads are notified in writing and those wishing to serve indicate their desire in writing. Eight Department Heads have so indicated. The nomination forms for Todd Chatfield, Executive Director Airport, Dwayne Dillinger, Executive Director Parks and Recreation, Terri Lesley, Executive Director Library, Matt Olsen Executive Director Public Works, Rachel Materi, Juvenile Probation, Juli Pierce, Fire Director of Finance, and Grace Davis, Clerk Office Accounting Manager are attached. The elected designee came from Sheriff Scott Matheny in his recommendation of Michalene Seeman, a long-time member of the committee.

With recommendations from the Compensation Committee and in consultation with the Human Resources/Risk Management Director, the Commissioners will then select the member while considering the following: A variety of departments should be represented, and the applicant's abilities should include providing value and balance to the committee.

The employees of Campbell County are very fortunate to have so many extremely qualified candidates willing to volunteer their time and expertise to serve on this critically important committee. The Compensation Committee recommends that the three member-at-large positions be filled with the following:

1. Dwayne Dillinger (filling the vacancy previously held by ReNae Keuck at Cam-Plex) due to the size and diversity of his department coupled with his 32 years of experience with Campbell County, the committee feels Dwayne would be a true asset.
2. Terry Lesley (continuing her seat) she has served on this committee for many years along with time on the personnel committee. She will continue to be a valuable resource for the committee.
3. Matt Olsen (continuing his seat) he has served on this committee for the last year and brought a fresh perspective. Public Works also covers a very broad scope of range placement scale, and the challenges that change present. He would continue to be a valuable resource.

The Compensation Committee also recommends that Michalene Seeman continue her role on the committee as nominated by Sheriff Matheny.

Please let me know if you have any questions. Thank you for your consideration.

Currently I serve as the Executive Director for Campbell County Parks and Recreation, and we are one of the largest and most diverse departments the County has.

In my time with Campbell County, I have been through several salary and compensation surveys and can bring a historical perspective to the conversation.

With Parks and Recreation being the largest department in the county when seasonal staff is added in, I think it's important that the department be represented.

Reasons to be on the committee / abilities brought to the committee:

Having been an employee for nearly ten years, I have witnessed firsthand the impact our county's economic fluctuations can have on employee compensation. As such, I have been a witness to many conversations where employees have expressed their frustrations surrounding both compensation and benefits. It is easy to vocalize displeasure; however, possible solutions are frequently not a part of these conversations. In the role of probation officer, one must be solution oriented and willing to explore all possible options.

By assisting the Director in reducing the department budget, I understand the complexities of trying to reduce spending while maintaining a high level of service. I believe this knowledge and experience is very applicable to the duties of a member of this committee.

I would welcome the opportunity to join the Compensation Committee to help ensure employees continue to feel valued and appreciated for the work they do. The County is a wonderful employer and should be recognized as such throughout the community. By working with the committee to review salaries and benefits and make recommendations to the Board of Commissioners, I can do my part to help keep Campbell County an employer of choice.

In my role as the Director of the Airport, I understand working within budgets and determining the top priority issues. I also feel I can work well with other committee members and reach a consensus while keeping a level head and being equitable. MEMORANDUM OF UNDERSTANDING

BETWEEN

CAMPBELL COUNTY COMMISSIONERS

AND

THE UNITED STATES DEPARTMENT OF THE INTERIOR (DOI)
BUREAU OF LAND MANAGEMENT (BLM)
BY AND THROUGH THE WYOMING BLM
STATE DIRECTOR

REGARDING

Plan Amendments for the management of Greater Sage-Grouse (GRSG)

I. Introduction

This Memorandum of Understanding (MOU) establishes a cooperating agency relationship between the Bureau of Land Management ("BLM") and the CAMPBELL COUNTY COMMISSIONERS for the purpose of preparing plan amendments for Greater Sage-Grouse (GRSG) management in the BLM's land use plans, and the associated Environmental Impact Statement (RMPA/EIS). The BLM is the lead federal agency for development of this GRSG RMPA/EIS. BLM acknowledges that the CAMPBELL COUNTY COMMISSIONERS has jurisdiction by law or special expertise applicable to the RMPA/EIS effort, as defined at 40 CFR 1508.1(n) and 1508.1(ee). This MOU describes responsibilities and procedures agreed to by the CAMPBELL COUNTY COMMISSIONERS as a Cooperating Agency and the BLM ("the Parties").

The EIS prepared under the terms of this MOU will consider amending BLM land use plans throughout the range of the GRSG, except for populations in Washington and the Bi-State population in California/Nevada.

The Cooperating Agency relationship established through this MOU shall be governed by all applicable statutes, regulations, and policies, including the Council on Environmental Quality's National Environmental Policy Act (NEPA) regulations (40 CFR 1500-1508), the BLM's planning regulations (43 CFR part 1600), and the Department of the Interior's NEPA Regulations (43 CFR part 46).

II. Purposes

The purposes of this MOU are:

- A. To designate the Campbell County Commissioners as a Cooperating Agency in the GRSG management process.
- B. To provide a framework for cooperation and coordination between the BLM and the Cooperator that will ensure successful completion of the GRSG management EIS in a timely, efficient, and thorough manner.
- C. To recognize that the BLM is the lead agency with responsibility for the completion of the GRSG management EIS and the Record of Decision (ROD) or other BLM decision document.
- D. To recognize and provide guidance for the development of a mutually respectful and effective Cooperating Agency relationship between the Parties which reflects their unique working relationship as it relates to the tasks at hand.
- E. To describe the respective responsibilities, jurisdictional authority, and expertise of each of the Parties in the NEPA process.

III. Authorities for the MOU

A. The authorities of the BLM to enter this MOU and engage in the activities described herein include, but are not limited to:

1. National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).
2. Federal Land Policy and Management Act (FLPMA) of 1976 (43 U.S.C. 1701 et seq.).

B. Regulations implementing the above authorities, as applicable:

1. Council on Environmental Quality regulations (40 CFR 1500 et seq.)
2. Department of the Interior NEPA regulations (40 CFR 46)
2. Bureau of Land Management planning regulations (43 CFR 1601 et seq.)

C. The authorities of the Cooperating Agency to enter this MOU include, but are not limited to:

1. [INSERT AGENCY AUTHORITY(IES)]

IV. Roles and Responsibilities

A. BLM Responsibilities:

1. As lead agency, the BLM retains final responsibility for the content of all NEPA documents, which include the Draft EIS, the Final EIS, any Supplements, and the ROD. The BLM's responsibilities include determining the purpose of and need for the EIS, selecting alternatives for analysis, identifying effects of the proposed alternatives, selecting the preferred alternative, and determining appropriate mitigation measures. In completing these responsibilities, the BLM will meaningfully involve the Cooperator throughout the entire NEPA process, including but not limited to: identifying issues to be addressed; arranging for the collection and/or assembly of necessary resource, environmental, social, economic, and institutional data; determining the purpose and need; consultation on a project schedule (in compliance with the agency timeframes established by regulation or policy); development of the alternatives; evaluating alternatives and estimating the effects of implementing each alternative; and carrying out any other task necessary for the development of the environmental analysis and documentation.

2. To the maximum extent possible consistent with the BLM's responsibilities as lead agency, the BLM will seek early and consistent involvement of the Cooperator, consider the comments, recommendations, data, and/or analyses provided by the Cooperator in the EIS process, giving particular consideration to those topics on which the Cooperator is acknowledged to possess jurisdiction by law or special expertise.
3. To the fullest extent practicable the BLM will timely provide the Cooperator with copies of documents underlying the EIS relevant to the Cooperator's responsibilities, including technical reports, data, analyses, comments received, working drafts related to environmental reviews, and draft and final versions of the EIS.
4. Meet with the Cooperator at its request.
5. Develop a schedule, setting milestones for all environmental reviews, in consultation with all cooperating agencies.

B. Cooperating Agency Responsibilities:

1. Campbell County Commissioners is recognized to have jurisdiction by law and/or special expertise on all subject matters for which it has statutory responsibility.
2. The Cooperator will limit the information, comments, and technical expertise it provides to the BLM to those elements of the EIS, and the data and analyses supporting them, in which it has jurisdiction by law or special expertise or for which the BLM requests its assistance (40 CFR 1501.8(b)(3)). The Cooperator will submit its comments in a capacity that meets its duties described at 40 CFR 1503.2.
3. Within the areas of their jurisdiction or special expertise, the Cooperator may participate in any of the activities identified in **Attachment A**. These activities include, but are not limited to: identifying issues to be addressed; arranging for the collection and/or assembly of necessary resource, environmental, social, economic, and institutional data; determining the purpose and need; consultation on a project schedule (in compliance with the agency timeframes established by regulation or policy); development of the alternatives; evaluating alternatives and estimating the effects of implementing each alternative; and carrying out any other task necessary for the development of the environmental analysis and documentation. The Cooperator will meet the BLM's schedule and elevate, as soon as practicable, to the senior agency official of the DOI (40 CFR 1508.1(dd)) any issues relating to purpose and need, alternatives, or other issues that may

affect its ability to meet the schedule (40 CFR 1501.8(b)(6)). (See also Section C.4.).

4. The Cooperator will have one representative, and an alternate, appointed to represent its interests and work to the BLM.
5. The Cooperator will make a good faith effort to report the costs it incurs in the development of the EIS to the BLM or notify the BLM when it is not practicable to do so (40 CFR 1502.11(g)).

C. Responsibilities of the Parties:

1. The Parties agree to participate in this NEPA process in good faith and make all reasonable efforts to resolve disagreements. Where procedural or substantive disagreement may impede effective and timely completion of the Plan Amendments for the management of GRSG, the Parties agree to utilize the conflict resolution procedures described below (see Section V.G). Participation as a Cooperating Agency does not negate the Cooperator's right to comment on the analysis or to protest or appeal the BLM's decision; nor does it diminish or restrict the Cooperator's ability to coordinate with the BLM under the BLM's FLPMA requirements (43 U.S.C. 1712(c)(9)).
2. The Parties will seek to meet the schedule provided as **Attachment B**, which includes dates for Plan Amendments for the management of GRSG milestones and timeframes for the Cooperator's reviews and submissions.
3. Each Party agrees to fund its own expenses associated with the Plan Amendments for the management of GRSG process, except and unless the BLM and Cooperator enter into a separate contract or agreement for technical studies within the Cooperator's jurisdiction by law and/or special expertise. The Cooperator may volunteer to provide financial assistance to the BLM to complete tasks associated with the Plan Amendments for the management of GRSG.

V. Other Provisions

- A. Authorities not altered. Nothing in this MOU alters, limits, or supersedes the authorities and responsibilities of any Party on any matter within its respective jurisdiction. Nothing in this MOU shall require any of the Parties to perform beyond its respective authority.
- B. Financial obligations. Nothing in this MOU shall require any of the Parties to assume any obligation or expend any sum in excess of authorization and appropriations available.

- C. Immunity and Defenses Retained. Each Party retains all immunities and defenses provided by law with respect to any action based on or occurring as a result of this MOU.
- D. Conflict of interest. The Parties agree that any individual or organization used for purposes of plan development, environmental analysis, or Cooperator representation, including officials, employees, or third-party contractors, must submit a disclosure statement to the BLM that specifies any financial or other interest in the outcome of the Plan Amendments for the management of GRS (40 CFR 1506.5(b)(4)). Questions regarding potential conflicts of interest should be referred to BLM Headquarters (HQ), BLM Ethics Counselors, or the Cooperating Agency's ethics personnel for resolution.
- E. Management of information. Any records or documents generated as a result of this MOU shall become part of the official BLM record maintained in accordance with BLM record management policies. The Cooperator acknowledges that all supporting materials and draft documents may become part of the administrative record and may be subject to the requirements of the Freedom of Information Act (FOIA) and other federal statutes. The cooperating agencies will keep confidential and protect from public disclosure any and all documents related to, or generated by this agreement. BLM will determine their suitability for public review or release under the provisions of the Freedom of Information Act (FOIA), Privacy Act, and in accordance with Department of Interior or BLM regulations. The BLM acknowledges that the Cooperator's handling of these materials may be impacted by state-specific open records laws. The Parties agree that the BLM at its discretion may withhold from the cooperator those documents that would otherwise be available for public release under (§ 24-72-201 to 206, C.R.S.).
- F. Conflict Resolution. The Parties agree to make reasonable efforts to resolve procedural or substantive conflicts and may agree to initiate an Alternative Dispute Resolution (ADR) process. The Parties acknowledge that BLM retains final responsibility for determining the content of the EIS and the ROD. The Parties agree that they may retain an independent facilitator to foster clear and efficient communication if they deem it necessary.
- G. Coordination with the BLM's contractor (as applicable).
- H. Coordination with Cooperating Agency's Contractor. The Cooperator will provide the BLM a Contractor Coordination Letter describing the nature of the relationship between the Cooperator and its contractor (if any) and the authority given to the contractor, and clearly stating that: 1) contractor will represent the Cooperator; 2) the Cooperator has verified that its contractor has submitted a disclosure to the BLM that specifies any financial or other interest in the outcome of the project; and 3) the Cooperator has contractually required its contractor to comply with a non-disclosure clause consistent with the Cooperator's obligations under Section V.F, above. The

Cooperator will be responsible for all costs incurred by its contractor. The contractor serves to help fulfill Cooperating Agency responsibilities outlined in Section IV.B, above, and will be allowed to attend meetings between the Parties to this MOU. When two or more cooperating agencies utilize the same contractor, each Cooperator must have a separate contract in place, and each must submit a Contractor Coordination Letter to the BLM.

VI. Agency Representatives

Each Party will designate a representative and alternate representative, as described in **Attachment C**, to ensure coordination between the Cooperators and the BLM during the NEPA process. Each Party may change its representative by providing written notice to the other Party.

VII. Administration of the MOU

- A. Approval. This MOU becomes effective upon signature by the authorized officials of the BLM and the Cooperator.
- B. Amendment. This MOU may be amended through written agreement of all signatories.
- C. Termination. If not terminated earlier, this MOU will end when the ROD for the Plan Amendments for the management of GRSB is approved by the BLM Authorized Officer. Any Party may end its participation in this MOU by providing written notice to the other Party.
